Description

Set on the sand in South Akumal, this furnished five-bedroom beachfront villa is designed for buyers who want direct Caribbean access, meaningful indoor space, and a more residential coastal setting in the Riviera Maya. The property offers 5,613 square feet (521.45 square meters) of interior living space on a 6,458 square foot (600 square meter) lot, with 5 bedrooms and 3.5 bathrooms.

The home's layout is well suited for family use, extended stays, or hosting guests, with open living and dining areas, a fully equipped kitchen, tile floors, ceiling fans, and mini-split air conditioning throughout key spaces. Floor-to-ceiling windows bring in natural light and connect the main interiors to the oceanfront setting, while the furnished condition allows for a more seamless transition into ownership.

Outdoor areas give the villa much of its everyday appeal. Covered patios, balconies, landscaped garden space, a roof terrace, and an oceanfront swimming pool create several places to relax, gather, and enjoy the coastline. The beachfront position includes white sand, calm Caribbean water, and a protected bay with an offshore reef, supporting swimming, paddling, and snorkeling close to the property.

Practical features include access by private road, security, manual storm shutters, laundry area, public water and sewer service, 3 parking spaces, and a pet-friendly setting. For buyers comparing beachfront homes for sale in Akumal, this villa offers substantial space, direct shoreline access, and a well-established South Akumal location.
