THE DETAILS

The property

Welcome to the 2-bedroom condos at Bloom Marina View, where modern elegance meets coastal tranquility. Nestled in the heart of Puerto Aventuras, these stunning residences offer panoramic marina views, creating an idyllic backdrop for serene mornings and picturesque sunsets. Every detail in these condos has been meticulously designed to enhance your living experience, from the spacious open floor plan to the luxurious finishes throughout.

The master bedroom comes with an en-suite bathroom, featuring sleek marble finishes that add a touch of sophistication. The second bedroom is equally inviting, offering ample space for guests or family members. The fully equipped kitchen is a chef's delight, complete with granite countertops and a high-end Sub-Zero refrigerator, perfect for those who enjoy culinary adventures or casual entertaining.

Step outside to your private terrace, where you can relax and take in the tranquil marina views. Bloom offers more than just beautiful homes; it’s a lifestyle. Residents enjoy access to an array of upscale amenities, including shimmering pools, lush manicured gardens, and an artificial beach with cozy palapas—ideal for unwinding in the tropical surroundings. The private dock and designated parking add to the convenience of this exclusive community.

With a generous living area starting at 183 m² (1,970 sq. ft.), the 2-bedroom condos provide plenty of space to live and entertain in style. Central air conditioning ensures year-round comfort, while the sleek, modern design complements the breathtaking natural beauty just outside your door.

Built in 2023, Bloom Marina View is just steps away from the vibrant beach club and local shopping, ensuring you have everything you need within reach. Experience marina-front living like never before—choose Bloom for your next home in paradise.
