THE DETAILS

The property

Step into a new era of sustainable luxury with the 2-bedroom condos at Woha Residences, a forward-thinking development located in Cancun. Designed for eco-conscious living, these spacious units perfectly blend modern convenience with a commitment to environmental stewardship. Ideal for families or couples seeking extra space, each 2-bedroom condo offers expansive living areas filled with natural light, thanks to large windows that frame stunning views of the surrounding greenery and ocean.

The well-designed kitchen features high-efficiency appliances and a layout that makes meal preparation both convenient and energy-conscious. The open living and dining areas provide plenty of room for relaxing or hosting guests, flowing seamlessly into private terraces where you can enjoy the serenity of nature. Both bedrooms are generously sized, with the master suite featuring an en-suite bathroom and direct access to the terrace, offering a private oasis of comfort.

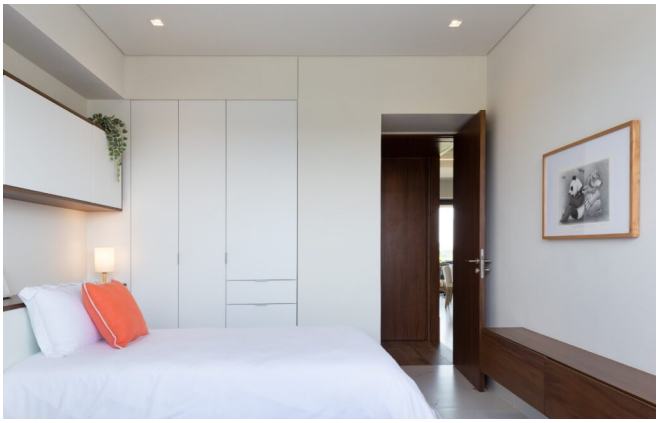

Woha Residences stands out for its eco-friendly innovations, using renewable energy sources like solar panels and wind power to reduce its carbon footprint. Advanced water conservation systems ensure that resources are used wisely, while hurricane-resistant features are built into the structure to provide a safe and secure living environment. The development also incorporates LED lighting, water recycling, and waste sorting systems, all monitored by advanced Building Information Modeling (BIM) technology to optimize resource use.

Residents of the 2-bedroom condos enjoy a wide range of world-class amenities, including a semi-Olympic pool, children’s pools, and a wellness center with a steam room. For those with an active lifestyle, the fully equipped fitness center offers the latest in exercise technology. Social spaces such as the sports bar, event lounge, and outdoor barbecue area create the perfect setting for family gatherings and entertaining friends.

With 24-hour security, exclusive elevator access, and concierge services, Woha Residences ensures that both comfort and peace of mind are part of your daily routine. These 2-bedroom condos offer a unique opportunity to live in harmony with nature, without sacrificing luxury or modern convenience.
