Description

Welcome to your home in Chemuyil! This charming and newly remodeled 3-bedroom, 1.5-bathroom house is the perfect blend of modern design and traditional charm. The property boasts a spacious and inviting living and dining area, and kitchen wooden cabinets and granite countertops.

With a total of 1,470 square feet of living space, this house offers plenty of room for you and your family to spread out and enjoy. The bedrooms are generously sized and offer ample closet space, and stylish fixtures and finishes in the bathroom.

One of the standout features of this home is the newly installed tile floor, which is not only easy to maintain but also provides a sleek and modern look. Additionally, there is a convenient storage room that can be used for all of your extra belongings.

For those who love to spend time outdoors, you will appreciate the stairs leading up to the roof, where you can take in the beautiful views of the surrounding area. The roof also has supports in place for future additional construction, giving you the option to expand your living space if desired.

Overall, this is a great opportunity to own a beautiful home in the heart of Chemuyil, close to many cenotes and to the public beach of Xcacel. As it is a protected area, there won't be any construction around the beach, keeping the beautiful jungle around.
