Description

Casa Bali is a three-bedroom home in Bali Residencial, a gated residential community in Playa del Carmen's Diamante area. Set on a lot of approximately 3,138 square feet (291.58 square meters), the two-level property combines a practical interior layout with a private patio and access to shared recreational amenities.

The home offers approximately 1,548 square feet (143.77 square meters) of construction, with three bedrooms and two-and-a-half bathrooms across two floors. The layout provides comfortable living spaces for everyday use, plus parking for two vehicles, ideal for a full-time residence.

At the rear of the property, the private patio extends the usable living area outdoors, offering space to relax, entertain guests, or enjoy everyday activities.

Bali Residencial offers 24-hour security, plus a community swimming pool and children's playground. Residents also have access to the Bali Sports Club, which includes a gym, swimming pools, and sports courts.

The community is close to schools, supermarkets, shopping centers, and other everyday services, with major roads connecting the area to the rest of Playa del Carmen. With three bedrooms, private outdoor space, community amenities, and a residential setting, Casa Bali suits buyers looking for a permanent or seasonal home in Playa del Carmen.

Who is Casa Bali likely to suit?

With three bedrooms, two and a half bathrooms, a private patio, parking for two vehicles, and access to community amenities, Casa Bali suits buyers looking for a practical full-time or seasonal home in Playa del Carmen.

What makes Bali Residencial practical for everyday living?

The community is near schools, supermarkets, shopping centers, and essential services, with access to major roads that connect to other parts of Playa del Carmen. This makes the location especially appealing to buyers who plan to use the property as a primary residence.

What does access to the Bali Sports Club include?

Residents have access to a gym, swimming pools, and sports courts. Combined with the community swimming pool and children's playground within Bali Residencial, this gives residents several recreational

options close to home.

Does Casa Bali offer useful private outdoor space?

Yes. The home sits on a lot of approximately 3,138 square feet (291.58 square meters) and includes a private rear patio. This provides outdoor space separate from the shared community amenities for relaxing, entertaining, or everyday use.
