Casa de Piedra: A Symphony of Luxury and Nature in Playacar

Nestled in the heart of Playacar, the most sought-after residential area of Playa del Carmen, Casa de Piedra emerges as a beacon of luxury that beautifully marries contemporary elegance with the raw beauty of nature. This exclusive project is designed for those who seek to live in harmony with their surroundings, offering a unique blend of modern comfort and tranquil serenity.

Casa de Piedra is an architectural marvel set within the lush landscapes and pristine beaches of Playacar. This prestigious development spans 320 hectares, featuring 3 kilometers of breathtaking beachfront. It has been developed with a deep respect for the natural environment, preserving untouched areas and historical Mayan relics, in partnership with the National Institute of Anthropology and History (INAH), which safeguards 57 archaeological sites within the vicinity.

Playacar’s commitment to preserving local biodiversity is evident in its aviary, home to 70 species of flora and fauna, alongside its immaculate beaches where the white sand meets the crystal-clear turquoise waters of the Caribbean. This enclave not only offers a picturesque setting but also provides a haven for luxury living and well-being.

Exclusive Services & Amenities:

Residents of Casa de Piedra and Playacar enjoy access to an array of premium services and facilities. From top-tier educational institutions and healthcare to fitness centers featuring pilates and yoga, every aspect of luxury living is catered to. The development boasts:
