Description

This project is characterized by the honesty in his architecture, the cleanliness of his facade, and the comfort of his spaces.

IKUKU will make you remember the simplicity of life and the movement of waves. The need to return to escape to rest and disconnect from the daily routine.

Located on 20th Street between 15th Street and avenue 10, in the Gonzalo Guerrero neighborhood, in the center of Playa del Carmen, Solidaridad, Quintana Roo.

Playa del Carmen is now one of the best choices for investment in the Riviera Maya, and IKUKU is the perfect example of the new era of architecture, the perfect balance within the meaning of a new whole life, and the peace and tranquility that you are looking for.

IKUKU is the trending topic for a whole equipped apartment, they are thought to make your life happier than ever, and easier.
