Description

La Residencia is one of the most recent projects by Reina Roja group. This time with a residential concept composed of 88 units in a 5-level building. Offers the condo-hotel modality, which provides high-class services and property management to generate a long-term passive income. La Residencia features multiple models that go from studios to 2-bedroom penthouses with the lock-off system. All these models are great for both, vacation and investment property. Plus, with the remarkable condo-hotel modality, owners can be sure that their property will generate amazing revenues.

Enviably located in the heart of Playa del Carmen. Located just steps from 5th Avenue and minutes away from the beach through one of the most beautiful tree-lined streets in town. La Residencia is surrounded by some of the chicest places, and has the best location to enjoy the glamour and lifestyle of Playa del Carmen
