

Lirio Lot At Valenia

Price: \$115,000 USD

Size: 2,967 sq ft

Address: Valenia, Playa del Carmen Real Estate, Quintana Roo, 77710

Description

Lirio 134 is a residential lot for sale within Valenia Residential Club in Playa del Carmen, offering 2,967 square feet (275.66 square meters) of land for a custom single-family home. The lot has approximately 39 feet (12 meters) of frontage and more than 75 feet (23 meters) of depth along its curved side, providing a versatile footprint for a tailored residential design.

Building parameters support a three-level home with a maximum height of approximately 30 feet (9 meters), together with a 0.70 COS and 1.30 CUS. The lot sits within a controlled-access residential development with 24-hour security and three vehicle entry and exit points.

Valenia Residential Club offers extensive shared amenities, including a semi-Olympic swimming pool with three lanes, a children's pool, a 1,830-square-foot (170-square-meter) fitness center, terrace with bar, sunbathing area, soccer field, tennis court, two paddle courts, children's playground, dog park, event rooms, and a 0.6-mile (1-kilometer) jogging path. Its Playa del Carmen setting also places residents within convenient reach of the city center, Caribbean beaches, and Xcaret Park.
