Description

Welcome to the ultimate beachside retreat, where modern design meets the laid-back rhythm of coastal living. The 2-bedroom condos at Marila offer an inviting space that encapsulates the charm and vibrancy of Playa del Carmen. Located just a block away from the turquoise waters of the Caribbean and within walking distance of the famous 5th Avenue, Marila allows you to immerse yourself in the tropical dream.

Spacious Interiors, Thoughtful Design

These 2-bedroom units are a perfect blend of comfort and elegance. The open-plan layout features airy living spaces, flooded with natural light, while the contemporary finishes, cool colors, and stylish details evoke the essence of beach life. Both bedrooms are generously sized, offering privacy and tranquility, with the master suite featuring an en-suite bathroom. The living area extends seamlessly onto a private terrace, where you can enjoy ocean breezes and views of the vibrant surroundings.

Resort-Style Living

At Marila, life feels like a permanent vacation. Relax on the rooftop, where you'll find an infinity pool with panoramic views of the horizon. Catch some sun, sip a refreshing cocktail from the sky bar, or take a dip in the pool—all while soaking up the sights and sounds of the beach. The amenities are designed to make every day feel indulgent. Whether you want to work out in the fully equipped gym, unwind at the spa, or enjoy a game in the media club or game room, Marila offers something for everyone.

Prime Location and Modern Conveniences

Living at Marila means enjoying the convenience of a prime location with the beach, restaurants, and shops all at your doorstep. With two towers, four elevators, secure underground parking, and lobbies to greet you, Marila is designed to meet the needs of modern living while keeping you connected to the beauty of the surrounding environment.
