Description

Privacy and outdoor living are central to this five-bedroom villa within Corasol, a gated residential community in Playa del Carmen. Spread across three floors, the home offers lush garden areas, a private swimming pool, and terraces on every level, giving residents multiple places to dine, relax, entertain, or enjoy the Caribbean climate throughout the day.

The interior is designed to give a larger household or group both shared gathering spaces and room to retreat. Each of the five bedrooms includes an en-suite bathroom, air conditioning, and an in-room safe. A fully equipped kitchen connects naturally with the living and dining areas, while an elevator makes movement between the three levels more convenient. A game room, dedicated workspace, laundry facilities, high-speed internet, and smart televisions add practical flexibility for everyday living and longer stays.

Additional outdoor spaces include a rooftop terrace and grilling area, complementing the pool and landscaped surroundings. The villa also provides a private entrance and secure on-site parking. Within Corasol, residents benefit from 24-hour security and proximity to the community’s golf course, beach club, and other facilities, with access to certain amenities available at discounted rates and subject to availability.
