Description

The private pool terrace is the defining feature of this lock-off penthouse at The Leaf Playacar, creating an outdoor setting that works as naturally for quiet mornings as it does for time with family or friends. Set within Playacar in Playa del Carmen, the residence places owners close to the beach, restaurants, the golf course, and downtown while keeping the greener, more residential character that gives this community its appeal.

The penthouse offers approximately 2,223 sq ft (206.5 m²) with three bedrooms and two bathrooms. Its lock-off design adds practical flexibility for buyers who want options for personal use, guest accommodation, or vacation rental strategy, while the generous interior size supports longer stays and everyday comfort.

The Leaf is designed with amenities that fit both vacation living and day-to-day convenience, including pools, a gym, yoga area, restaurant and bar, café, children's play zone, pet zone, concierge, parking, internet in common areas, controlled access, and twenty-four-hour security. For buyers looking at Playacar real estate, this property combines a strong location, outdoor living, and adaptable ownership use in one of Playa del Carmen's most established residential areas.
