Description

Discover the epitome of tranquility and harmony at Allegro, an exclusive new development in Puerto Aventuras. With only four meticulously designed units, Allegro offers a lifestyle that's second to none.

Experience true luxury living in spacious 3-bedroom apartments ranging from 183 to 243 square meters. Nestled in an unbeatable location, Allegro offers captivating views of the enchanting Puerto Aventuras lagoon and is just a mere 30 meters away from the pristine beach.

Step into your haven through the Style Hall, a unique feature that welcomes you home even before you enter your apartment. Allegro is a visual delight from the outside, while the interior exudes luxury and spaciousness. Each apartment boasts three well-appointed bedrooms and top-tier finishes.

Allegro's location is truly unparalleled. Situated within the Puerto Aventuras tourist complex, it's a mere 15-minute drive from Playa del Carmen. Puerto Aventuras is the only resort and residential complex on the Riviera Maya with its own marina.

The complex offers a plethora of amenities, including fine dining restaurants, exciting attractions, a bilingual school, a golf course, direct beach access, and the opportunity to own your very own waterfront property, be it a house or a condominium.

Whether looking for the perfect place to call home or an investment opportunity that promises unforgettable vacations for your renters, Allegro has it all.
