Description

Menesse Condos offers you the latest development in another key point of the Riviera Maya: Tulum, the iconic location recognized for its lush vegetation, relaxed atmosphere and proximity to some of the most beautiful beaches in Mexico.

Menesse Tulum is the perfect mix of nature and modern architecture, built in 26,909 sq ft with materials that completely integrate with the environment and just a few steps from Coba Avenue, the main access to the beach area of Tulum.

World Heritage Site by UNESCO, and the only archaeological zone of Mexico near the coast, the Mayan ruins of Tulum are considered essential part of the pre-Hispanic legacy of Mexico.
