Description

Being part of Palais means rediscover yourself in harmony with the environment and the exclusivity that each apartment offers. The design is inspired by the characteristic Tulum concept, Eco-chic, with high quality materials and luxury finishes. Its features are so varied that they satisfy the highest-level requirements with 1- or 2-bedroom apartments, with Roof Garden, balcony, private pool options and amenities that provide an unrivalled lifestyle.

Tulum is synonymous with interior reconnection and integral well-being, where celebrities and international fashion elite come together to enjoy the calm that is experienced with the sound of crashing waves in the Caribbean Sea. Yoga, meditation, and ancestral rituals in beautiful cenotes, are just some of the experiences that this mystical place has every day. Palais gives you the opportunity to have all this a few minutes away from home. Enjoy the harmony inside and outside your own paradise.
