Description

Situated close to the Caribbean coast, this boutique hotel in Tulum offers an exceptional opportunity to acquire a fully operational hospitality property in one of Mexico's most sought after tourism destinations. Designed with a clean, modern aesthetic and a layout that supports efficient guest flow, the property combines strong income potential with the convenience of a turnkey business ready to operate from day one.

Boutique Hospitality Property Near Tulum's Beaches

The hotel is located approximately 2.5 kilometers (1.55 miles) from Tulum's renowned white sand beaches and turquoise waters. Set on a 992 square meter lot (10,677 square feet), the property enjoys a strategic location that provides easy access to beach clubs, restaurants, wellness centers, and the cultural attractions that continue to draw visitors from around the world.

The property includes 18 guest rooms and 19 bathrooms, including a bathroom located within the reception area. The layout has been designed to accommodate both short term vacation travelers and longer stays, making it well suited for Tulum's diverse tourism market.

Comfortable and Functional Guest Rooms

Each guest room offers a practical and welcoming environment designed for hospitality use. Amenities include air conditioning, a television, mini refrigerator, and in-room safe, ensuring guests have the essential comforts expected in a boutique hotel.

The rooms feature contemporary finishes and a design style that complements the relaxed character of Tulum while maintaining a clean and modern presentation. This balance of simplicity and comfort helps create a guest experience that encourages positive reviews and repeat visits.

Pool and Outdoor Relaxation Areas

At the center of the property is a swimming pool surrounded by loungers and hammocks, creating an inviting space where guests can unwind throughout the day. The surrounding garden areas add greenery and privacy while reinforcing the tranquil atmosphere often sought by travelers visiting Tulum.

A rooftop terrace provides an additional shared space where guests can enjoy the warm Caribbean climate and the natural surroundings of the region. These outdoor areas enhance the overall guest experience and support longer stays.

Infrastructure Designed for Daily Operations

The hotel includes several features that support smooth hospitality management. Guests benefit from private on site parking, 24 hour reception service, and WiFi throughout the property, providing both convenience and security during their stay.

The property is being offered fully furnished, allowing the next owner to continue operations immediately without requiring additional setup or renovation. This turnkey structure is particularly attractive for investors seeking an operational hospitality property in Tulum.

Investment Opportunity in a Growing Tourism Market

Tulum continues to experience strong global interest due to its beaches, eco tourism experiences, wellness retreats, and cultural attractions. With its established infrastructure, practical guest layout, and proximity to the Caribbean Sea, this boutique hotel represents a compelling opportunity for buyers looking to enter or expand within the hospitality sector in the Mexican Caribbean.
