THE DETAILS

The property

“Through a transmutation, the jungle and multiple cultures transformed a little Caribbean town into a cosmopolitan tropical paradise, eclectic-unique.

And so Alquimia, Tulum was created.

Tulum is a tropical paradise that connects the senses with nature and the monumental beauty of the place.

The destination of choice for the world-class traveler, cultural, luxury, adventure, gastronomic, and lifestyle tourism; an ideal place for travel bloggers, yogi masters, collectors of experiences, and glamorous people.

Tulum is one of the region's most exciting and diverse places, recognized worldwide for its magic, serenity, vibrant atmosphere, and relaxed elegance, perfect for leaving behind everyday life and enjoying every extraordinary moment of the day and night.

Because of its Tourism, Art, and Culture, Tulum represents the present and future of Real Estate.

The sightseeing, artistic, cultural, and gastronomic offerings are only some of the attractions that drive Tulum’s real estate sector.

Tulum receives more than 3 million tourists and visitors a year. It is considered a global destination.

ALQUIMIA Hotel & Residences has a privileged location in Tulum.

You can enjoy nearby activities and attractions, complementing your stay and experience.

For easy mobility, we will have a rental program for electric and hybrid vehicles managed through our Guest Ambassador and Owner's Concierge services.

ALQUIMIA Hotel + Residences represents the sum of everything; it is the perfect place for your wishes to come true, becoming life stories and memorable experiences in a dream location.

Tulum is a cosmopolitan destination full of magic, considered a Hot Spot for the International Jet Set. It represents modernity, culture, and accessibility, where you can be in permanent contact with nature, a paradise of exuberant vegetation, and beautiful beaches in the Mexican Caribbean.

Its unpretentious glamor and Barefoot Luxury lifestyle attract guest who appreciates and enjoy the good life, admire beauty and aesthetics, and maximizes their enjoyment of life itself.
