Description

Nestled within Tulum's lush jungle, the 2-bedroom villas at Amari Tulum redefine eco-luxury living. These thoughtfully designed villas seamlessly integrate with nature while offering all the modern comforts of a sophisticated home. Each villa boasts an open-concept layout that connects indoor and outdoor spaces, creating a harmonious living environment. Floor-to-ceiling windows flood the living areas with natural light, and the private pool offers a serene escape, perfect for relaxing after a day in the vibrant heart of Tulum.

The bedrooms are generously sized, with the master suite featuring an en-suite bathroom and direct access to the private outdoor pool area. The second bedroom also offers comfort and privacy, making this villa ideal for couples, small families, or even those looking for a vacation home with rental potential.

Amari Tulum is committed to sustainability, with eco-conscious features like solar panels that power critical functions and a state-of-the-art water treatment system that ensures double-filtered tap water throughout the community. These villas are part of Amari's "Tribes," creating a sense of community with other residents while maintaining the privacy of your own home.

Designed for effortless living, the villas come equipped with a Smart Home system compatible with Google Home or Alexa, allowing you to control everything from lighting to pool settings with a simple command. High-speed 500 Mbps fiber-optic internet is available throughout, ensuring that your home is as connected as it is serene.

In addition to the private comforts of your villa, Amari Tulum offers a range of premium amenities, including a co-working space, gym, and wellness center, all set within a secure, gated environment. With 24/7 security, luxury transportation services, and easy access to Tulum's top attractions, these villas offer a unique blend of tranquility, community, and modern living.

Experience the essence of Tulum with the 2-bedroom villas at Amari Tulum—a perfect blend of nature, luxury, and sustainability.
