Description

The three-bedroom residences at Belmare by Bespoke represent a refined expression of coastal living within one of Tankah Bay's most protected beachfront developments. Designed for buyers seeking generous living space, privacy, and long-term value, these residences offer a residential scale well-suited for full-time living, extended stays, or high-end rental use.

These homes feature expansive interiors with clearly defined living, dining, and kitchen areas, creating a natural sense of separation and flow. Large terraces extend the living spaces outdoors, enhancing natural light and ventilation while framing views across the surrounding landscape. The layouts are thoughtfully planned to accommodate families, guests, or owners who value additional space without compromising design integrity. Select three-bedroom residences offer lock-off configurations, providing flexibility for varied use and investment strategies.

Owners enjoy complete access to Belmare's oceanfront amenities, including the private beach club, natural oceanfront pool, pier, wellness sanctuary, state-of-the-art gym, and curated dining and lounge experiences. This creates a seamless connection between private residence and beachfront lifestyle, all within a professionally managed environment.

The three-bedroom category appeals to buyers seeking a higher level of comfort and versatility in a market defined by limited coastal supply and strict development controls. Belmare by Bespoke's three-bedroom residences deliver space, functionality, and enduring value within Tankah Bay's exclusive residential landscape.
