Description

The three bedroom penthouse residences at Belmare by Bespoke represent the highest expression of residential living within this beachfront development in Tankah Bay. Designed for buyers seeking space, privacy, and elevated coastal presence, these penthouses combine expansive interiors with private outdoor living in one of the region's most protected coastal settings.

Occupying the upper levels of the building, the penthouses feature generous interior layouts complemented by large private terraces and rooftop areas. Living and dining spaces are designed to open seamlessly to the outdoors, creating an environment well-suited for entertaining, relaxation, and extended stays. The scale and configuration provide a clear distinction from standard residences, offering a heightened sense of exclusivity and privacy.

The three bedroom penthouse layouts prioritize comfort and flexibility, with well-proportioned bedrooms, spa-style bathrooms, and select lock-off configurations that allow for adaptable use. The private rooftop areas offer additional space for outdoor dining, lounging, or personal wellness features, enhancing both lifestyle enjoyment and long-term appeal.

Penthouse owners enjoy full access to Belmare's oceanfront amenities, including the private beach club, natural oceanfront pool, pier, wellness sanctuary, state-of-the-art gym, and curated dining and lounge experiences. Combined with 24-hour concierge and professional management services, the penthouses deliver a residential experience that balances privacy with effortless access to a beachfront lifestyle.

The three bedroom penthouse residences are ideally suited for buyers seeking a rare coastal asset defined by limited supply, architectural integrity, and long-term value. Belmare by Bespoke's penthouses offer a secure and enduring opportunity within Tankah Bay's tightly regulated real estate environment.
