Description

Introducing Bodhi, a harmonious fusion of nature and modern living nestled in the heart of Tulum. Derived from Sanskrit, “Bodhi” signifies the awakening of the soul and enlightenment.

This remarkable development is a sanctuary designed to reconnect you with the essence of nature, embracing its magnificence, and nourishing your soul.

Inspired by the intricate pathways and channels of the Ox Bel Ha Complex’s underwater caverns, Bodhi’s layout is seamlessly integrated with the surrounding jungle.

The architectural concept pays homage to local materials and finishes, blending vernacular design with innovative technology to create a warm, intimate, and comfortable living space that fosters a sense of community among its residents.

Tulum, renowned for its boho lifestyle, unspoiled beaches, and outdoor activities, has earned a unique place in the eco-chic trend worldwide. Bodhi offers an unrivaled investment opportunity in one of the most sought-after destinations, benefiting from a robust infrastructure, tourism potential, and economic growth.

Bodhi features 41 exclusive luxury residences with 1 to 3 bedrooms, enveloped by verdant jungle landscapes.

The buildings are meticulously designed to respect and synergize with the natural elements of wind, water, and light.

Each unit is crafted for privacy, exclusivity, and comfort while preserving twice the size of the jungle area.

All units boast a private pool and terrace, ensuring an exceptional living experience. For added luxury, furniture, and decorator packages are included for premium stays.

Amenities at Bodhi include:

- Cenote
- Terrace bar
- Multipurpose room
- Natural pools
- Fire pit
- Private concierge
- Sunbeds
- Green areas
- Bikes

- Restaurant
- Gym
- Reception
- Motor lobby
- Private shuttle to the center and beach
- Housekeeping services
- Laundry
- 24/7 security
- Treatment plant bioreactor

Bodhi adheres to the United Nations' design standards and guidelines for the Environment Program, supporting sustainable urban development.

With low-density construction, 80% of green areas are preserved, and eco-friendly features such as bioclimatic design, clean energies, and sustainable materials are incorporated.

The development also includes water treatment in compliance with NOM-003 standards, water purification, organic waste processing, chemical-free ecological pools, free-to-use bicycles, waste separation and reduction, energy efficiency, and sustainable tourism initiatives.

Investing in Bodhi ensures excellent appreciation value, an innovative concept, and attractive investment returns. Our strategic partner expertly manages your property while simultaneously generating substantial returns and maintaining it in prime condition for

your occupancy.

Embrace the serene beauty of Bodhi – a place where your soul awakens, and life blooms in harmony with nature.
