Description

Located in Tulum, a natural jewel of the Mexican Caribbean, surrounded by white sand beaches and turquoise waters is Buluc; a luxury residential complex where you can enjoy the serenity of the Caribbean paradise, mangroves, and regional cenotes.

Buluc is a project with 19 luxury homes of one or two levels. Each home has 3 bedrooms and a private pool with access to Common Areas exclusive to Buluc Residents.

The Architecture involves the typical regional designs, enhancing and respecting the roots, traditions, and natural beauty of the land. Our homes encourage the perfect ambiance for wellbeing, harmony, and balance between family and nature, surrounded by jungle, and a unique archeological zone.

Buluc is based within the biggest hotel complex in Riviera Maya, Bahia Principe. Where you are invited to enjoy gourmet restaurants, spas, pools, golf, beach club, and breathtaking white sand beaches.
