Description

Intoxicated by the soft breeze of the Caribbean, let yourself be seduced by the charm of a place with a great personality.

A magical place where the mixture of cultures generates a fluid and enriching coexistence.

The CAREY residential village is made up of 51 apartments

The composition of the set arises from the reinterpretation of the constructive method of the prehispanic architecture of the Mayan culture.

The scheme is composed of two parallel modules, divided by a leafy garden.

Carey is in the most exclusive area of Tulum, Aldea Zama. A majestic development of ecotourism and residential, located in a downtown area.

This will allow you to enjoy walks through green landscaped paths or opt for bicycle tours to the Mayan ruins, area hotel, beach, the town of Tulum and cenotes.

Surrounded by virgin flora, paradisiacal beaches and numerous cenotes, Carey is a distinguished real estate project of luxury, ideal for those who like to experience a lifestyle dreamy in total natural connection and harmony with the environment.

Carey Tulum represents the best that this ancient land has to offer.
