THE DETAILS

The property

Casa Natura has the characteristics to become and exceptional living space in Tulum. The apartments begin at 2,034.38 sq. ft., with private and exclusive amenities, wide open spaces with enclosed rooftops, swimming pool, private areas within each apartment for privacy and relaxation

This majestic ecotourism and residential project is located in a central area of the village, which makes it possible to enjoy bicycle tours to the archaeological zone where the pristine cliffside Tulum ruins reside, the hotel and beach zone, and the quaint little Tulum town surrounded by cenotes and other archaeological sites.

Casa Natura offers 3 styles of open space condominiums, which allow for an incomparable and unforgettable coexistence with nature. In addition to having a fully integrated and fluid design with the ecological and beautiful environment that surrounds you, you'll also enjoy the natural light and ventilation throughout the framework of the apartments at Casa Natura.

Tulum offers something incredibly special. Where a perfect mix of turquoise ocean, pristine white sand beach, and lush green jungle come together to create a truly magical world delighting all the senses.

Tulum is a unique and magical place. The residents here consider it a privilege for the opportunity to call Tulum home. Each day is better than the next. Tulum will indeed fulfill your every desire. The upscale beachside community, Aldea Zama, was given its name in honor of Tulum's previous name Zama, which means dawn. This innovative and well-planned development is filled with incredible condo/villa-style properties and commercial areas. It is an incredibly beautiful and eco-friendly residential area with all the services needed to live a modern lifestyle while surrounded by nature. Aldea Zama is the heart and soul of the city.
