Description

Set in the tranquil La Veleta neighborhood, Villa Kaan embodies the perfect balance between architectural sophistication and the natural spirit of Tulum. Conceived by Co-Lab Design Office, an award-winning studio celebrated for its organic modernist approach, this residence offers a sanctuary of comfort and style just steps from the iconic Holistika Hotel.

Architecture & Design

Every detail of Villa Kaan reflects a seamless dialogue between indoor and outdoor living. Expansive glass doors dissolve the boundaries between spaces, opening onto lush gardens and a private pool that invite daylight and tropical breezes throughout the home. Premium materials and meticulous craftsmanship ensure lasting quality while maintaining the warm, contemporary feel that defines Tulum's most sought-after residences.

Interiors & Layout

Spanning 301 m² (3,239 ft²), the villa offers three spacious bedrooms plus an office and 2.5 bathrooms, designed for both family living and remote work flexibility. The open-concept living and dining areas flow into a modern kitchen, while high ceilings and natural finishes create an atmosphere of calm sophistication. Fully turnkey, Villa Kaan is delivered ready to move in, combining comfort with investment value.

Lifestyle & Location

Villa Kaan is ideally situated within walking distance of cafés, restaurants, and wellness retreats, while remaining connected to Tulum's vibrant downtown and pristine beaches. Here, residents enjoy a private retreat without sacrificing convenience. Whether as a personal residence or a high-performing rental property, this villa represents an exceptional opportunity in Tulum's thriving market.
