Description

With its white sand beaches and clear blue water, the Mexican Caribbean has become the fastest-growing tourist destination in the Mexican Republic. Tulum has a unique energy. The mix of sea, rainforest, cenotes, culinary traditions, archeological sites, and natural reserves makes it an incomparable spot in the Mayan Riviera. It is a wonderful sanctuary with a dreamlike natural environment to live in or vacation.

Kateen is committed to a sober and elegant design that contrasts the artisanal textures of Tulum with modern industrial finishes, utilizing high-quality materials and native wood species for a mixed natural appearance. Natural vegetation and warm lighting are integrated with concrete, brown, and black undertones to enhance a sense of calm and serenity.

Kateen is exclusively located in one of the fastest-growing areas of Tulum. Its excellent location grants easy access to the bustling nightlife in downtown Tulum, the laid-back dining scene in La Veleta, and the young professional vibe in Aldea Zama. And in just 10 minutes, you'll find yourself enjoying the white sandy beaches and cool sea breezes while indulging your senses in the upscale beach clubs and restaurants.
