THE DETAILS

The property

This two-bedroom Pentgarden condo at Nativa Tulum offers approximately 1,137 square feet (106 square meters) of total space in a ground-floor configuration. The layout provides two dedicated bedrooms within a manageable footprint, making it a practical option for buyers who want a true multi-bedroom residence without moving into one of the development's larger formats.

The ground-floor position is a defining feature of the Pentgarden typology and gives this residence a different character from the penthouse options available within Nativa Tulum. Its size allows for comfortable everyday living while keeping the overall layout efficient, with the two-bedroom arrangement providing flexibility for full-time use, a second home, or accommodating guests.

Residents at Nativa Tulum have access to a broad collection of shared amenities, including an outdoor swimming pool, climate-controlled indoor gym, outdoor fitness and yoga areas, a jogging and walking track, coworking facilities, concierge services, event space, landscaped common areas, barbecue facilities, social areas, bicycle parking, and deeded parking. The development also includes 24-hour CCTV monitoring and is pet friendly.

For buyers comparing condos for sale in Tulum, this two-bedroom Pentgarden combines a ground-floor setting, a clearly defined two-bedroom layout, and access to a substantial amenity offering within Nativa Tulum. It is the smallest of the currently available two-bedroom Pentgarden configurations, making it the natural starting point within this particular unit category.
