THE DETAILS

The property

It is a wonderful place, ideal for nature lovers. Tulum immerses you in the Mayan culture and beaches, of a unique beauty, recognized as the best in Mexico and Central America. Its natural beauty makes it a magical place with a unique experience for the soul and the senses, allowing you to live in a state of awe.

More than a residential development, Nhoa is a community formed by 36 apartments, a place that invites rest and tranquility in an atmosphere where you can appreciate the privacy for which it was designed.

The project was purposely created to have complete harmony with what Tulum represents; nature, quiet, placidity, joy, delight, freedom and calm. An environment that always welcomes and invites you to stay and enjoy living in paradise from the swing of a hammock.

Gym, yoga terrace, pools,restaurants, sun beds, lobby, bikes, controlled access,elevators and security 24/7, are just a little part of the plenty of amenities that we offer you.

There are places that occupy a space material and spiritual, where the exterior and the interior merge and recombine… Where we open new paths, finding what has always been waiting for us, places where we are ourselves. THAT IS WHAT NHOA OFFERS TO YOU.
