Description

Introducing Palalma, a contemporary penthouse nestled in the vibrant La Veleta neighborhood of Tulum. This exclusive property spans 1,600 square feet (148.64 square meters) and is spread over two levels, offering three bedrooms and three and a half bathrooms.

The living area opens onto a balcony, enhanced by floor-to-ceiling windows that ensure a bright and airy ambiance throughout. The layout includes two king-size beds and two single beds in one of the rooms, walk-in closets for ample storage, and four smart TVs for modern entertainment needs.

Culinary enthusiasts will appreciate the fully equipped kitchen with granite countertops, complete with a reverse osmosis water purification system. A convenient laundry area includes a washer and dryer, adding to the practical features of this home.

Exclusive to residents, the private rooftop is a true highlight, boasting a dipping pool with a filtration system — perfect for relaxing under the sun.

Palalma's amenities enhance the living experience further, featuring 24/7 security, a reception and administration area, parking, and lush green spaces that harmonize with the surrounding jungle. The development offers a walking path, yoga center, fire pit lounge, and a comprehensive swimming pool area with dedicated zones for relaxation, including a hammock area and sunbathing spots. A bar with a covered terrace completes the communal facilities, ensuring every need is catered to.

Built in 2020, this property promises a blend of luxury, comfort, and tranquility, making it a prime choice for those seeking an exclusive lifestyle in Tulum.
