Description

Located in the sought-after neighborhood of Aldea Zama, this well-designed one bedroom condo offers a comfortable living environment in one of Tulum’s most established residential areas. Delivered fully turnkey, the property is ready for immediate occupancy and also presents an appealing option for buyers seeking a residence that can generate rental income.

The interior layout is thoughtfully planned to maximize space and natural light. The living area feels bright and open, creating a welcoming environment for everyday living or hosting guests. Adjacent to the living room, the fully equipped kitchen provides practical functionality for both short stays and full-time use.

Comfortable Layout Designed for Everyday Living

The condo features a separate bedroom with a king-size bed, providing privacy and comfort for residents or visitors. The bathroom is well positioned within the layout and finished with modern fixtures designed for durability and ease of maintenance.

A dedicated laundry area adds convenience rarely found in smaller residences, allowing owners and guests to manage longer stays comfortably.

The property measures approximately 65 square meters (700 square feet) of interior space, offering a balanced layout that feels open while still providing clearly defined living areas.

Rooftop Amenities and Lifestyle Convenience

Residents of the building benefit from a collection of amenities designed to enhance daily living. The rooftop pool provides a relaxing setting where owners and guests can enjoy the tropical climate and elevated views.

Additional shared facilities include a fitness center, elevator, concierge services, and 24/7 security, creating a residential environment that combines comfort with convenience.

Prime Location in Aldea Zama

Aldea Zama is widely recognized as one of the most desirable residential districts in Tulum thanks to its modern infrastructure, walkable streets, and close proximity to restaurants, cafes, and boutique shops.

From this location, residents can easily reach the town center as well as Tulum’s famous beaches. The neighborhood continues to attract both full-time residents and visitors, making properties in this area

especially appealing for buyers who want flexibility between personal use and rental potential.
