THE DETAILS

The property

The Elle is a furnished one-bedroom penthouse in Aldea Zama, Tulum, designed across two levels with a layout that creates clear separation between the main living area and the private bedroom level. The lower floor includes an open kitchen, dining area, living room, and full bathroom, giving the residence a practical setup for everyday use or hosting guests.

Upstairs, the bedroom is paired with a second full bathroom and a private plunge pool, adding outdoor space directly to the more private level of the penthouse. A dual-entry lock-off layout provides separate access to each floor, offering additional flexibility and privacy within the residence.

The building includes a rooftop swimming pool, rooftop gym, laundry area, elevators, 24-hour security, and private parking. The penthouse is sold fully furnished and is positioned within Aldea Zama, a well-established residential neighborhood in Tulum with convenient access to restaurants, shops, services, and the city’s main areas.

FAQ

How is The Elle Penthouse arranged across its two levels?
The main level contains the kitchen, dining area, living room, and one full bathroom. The upper level includes the bedroom, second full bathroom, and private plunge pool.

What does the dual-entry layout provide?
Each level has separate access, creating a lock-off style configuration that allows for greater privacy and flexibility between the two floors.

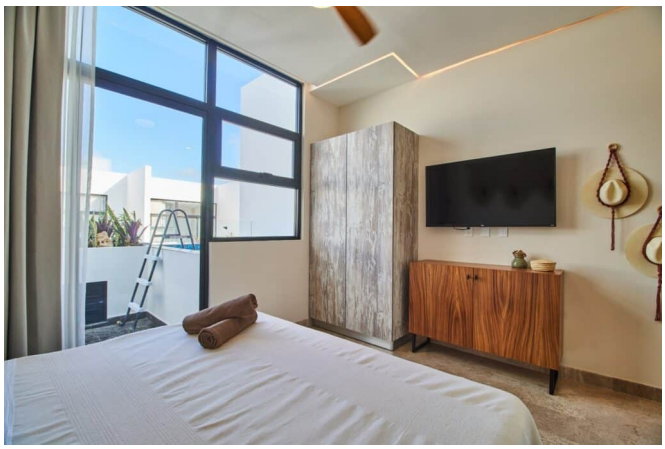

What amenities are available within the building?
Residents have access to a rooftop swimming pool, rooftop gym, laundry area, elevators, 24-hour security, and private parking.
